

Página En Blanco Para La Toma De Notas De Cornell

The image shows a blank Cornell Notes page. It features a vertical line on the left side, approximately one-fifth of the way from the left edge, and two horizontal lines. The top horizontal line is about one-fifth of the way down from the top, and the bottom horizontal line is about one-fifth of the way up from the bottom. These lines create a narrow left margin and two main sections for notes. Three small circles are placed in the left margin, one in each section, to indicate where to place binder rings.
