

Which Jobs Are Right for Me?

Resource List

Which Holland Career codes best fit your unique personality? Some careers for each category are listed below, linked to a Wikipedia article providing more information. Look for career names that sound interesting to you, and explore to learn more. If you were strong in more than one Holland category, look for job titles listed under both of them. And remember, this is just a starting place! If you open the link for one career, you will usually find many other related opportunities.

REALISTIC Do you enjoy working with your hands or body, with tools, machines, and things? Do you tend to be practical and enjoy working with concrete objects? If so, you may be in the REALISTIC category.
